DesignJet T630 36-in Printer

[HP Designjet T630 36-in Printer:](#)

The world's smallest wide-format printer⁽⁴⁾ with a built-in stand, is designed to fit your office, budget, and the way you work. Print multi-size projects with ease. Print your A1 plot as fast as 30 seconds. 1 GB memory.

Dynamic security enabled printer Certain HP printers are intended to work only with cartridges that have a new or reused HP chip or electronic circuitry. These printers use dynamic security measures to block cartridges using a non-HP chip or electronic circuitry. Periodic firmware updates will maintain the effectiveness of these measures and block cartridges that previously worked. Reused HP chips and electronic circuitry enable the use of reused, remanufactured, and refilled cartridges.
