

HP 256GB SATA Solid State Drive

Brand : HP

Product code: A3D26AA

Product name : 256GB SATA Solid State Drive

A3D26AA - 256GB SATA Solid State Drive

[HP 256GB SATA Solid State Drive:](#)

Solid State Drives (SSDs) are fast becoming a real force with respect to storage in the computer industry. With no moving parts, storage is no longer bound by mechanical barriers to higher performance. HP SSDs for workstations offer overall performance typically beyond that of SAS 15k rpm HDDs (Hard Disk Drives).

- Higher overall performance than 15k HDDs based on random IOPs, sustained reads and sustained writes.
 - Lower systems level acoustical emissions than systems with HDDs, especially 15k rpm HDDs.
 - More rugged than HDDs with respect to shock and vibration.
 - Typical wall power savings relative to a 15k drive is ~10W/drive (based on drive idle power and power supply at 85% efficiency. Active drive power deltas are slightly larger.).
 - Lower system maintenance because there is no need to defragment the drive.
- HP 256GB SATA Solid State Drive. SSD capacity: 256 GB

Features		Weight & dimensions	
SSD capacity *	256 GB	Width	70 mm
Memory type *	MLC	Height	7 mm
Windows operating systems supported	✓	Logistics data	
Linux operating systems supported	✓	Harmonized System (HS) code	84717070
Certification	WEEE REACH	Other features	
Compatible products	HP Z210 HP Z400 HP Z600 HP Z800	Product colour	Silver
HP segment	Business	Internal	✓
		Connectivity technology	Wired
