DesignJet T830 24-in Multifunction Printer

[HP Designjet T830 24-in Multifunction Printer:](#)

Immediately update all your partners on project review results with the most compact large-format MFP.^[2] Intuitive, convenient print/scan/copy and HP DesignJet print quality help you communicate effectively and move the project forward.

Dynamic security enabled printer Certain HP printers are intended to work only with cartridges that have a new or reused HP chip or electronic circuitry. These printers use dynamic security measures to block cartridges using a non-HP chip or electronic circuitry. Periodic firmware updates will maintain the effectiveness of these measures and block cartridges that previously worked. Reused HP chips and electronic circuitry enable the use of reused, remanufactured, and refilled cartridges.
