### Expand your PC's capacity

Toshiba's L200 2.5" internal hard drive is designed to boost the storage of your laptop or games console, with a capacity of up to 1 TB. To give you high-speed performance, the L200 contains an original cache algorithm and buffer management, giving you quick access to your frequently-used applications and data.

Perpendicular Magnetic Recording and Tunnel Magneto-Resistive technologies also ensure fast, stable recording that makes the most of your hard drive space. And once your data is saved and stored, you can be sure it's secure, thanks to ramp loading technology for data protection while on the move, and shock

resistance, keeping your stored media secure and intact. Available in capacities of up to 1 TB, the L200 puts the renowned durability and reliability of Toshiba technology to work in your notebook or games console.
