Scanjet N6350

[HP Scanjet N6350 Networked Document Flatbed Scanner:](#)

Designed for small work teams without dedicated IT resources, the HP Scanjet N6350 Networked Flatbed Document Scanner is a simple-to-use, versatile page scanner with integrated networking for multiple users to easily share and send digital files to email or a network folder. With optional PIN security, users can protect and manage scanner access and save-to locations on the network.

The HP Scanjet N6350 Networked Flatbed Document Scanner quickly and efficiently completes scanning tasks with a four-line LCD display, 10-digit keypad, task shortcuts, and dedicated scan and copy buttons. The scanner has the ability to capture documents of various sizes, photos, transparent materials, slides and negatives. This high-performance scanner includes a robust selection of intuitive software applications to manage digital files, convert scans into editable text documents, create databases of professional contacts and integrate the scanner with other systems.
