

HP D3600 Enclosure disk array

Brand : HP

Product code: QW968A

Product name : D3600 Enclosure

HP D3600 Enclosure

[HP D3600 Enclosure disk array:](#)

Has your business exceeded your storage capacity?

Manage your small and midrange business' growing storage needs by deploying the HP D3000 Enclosures, the next generation 12 Gb SAS low-cost, high-capacity, tiered external storage system. The HP D3000 Enclosures are ideal for your small application environments, remote offices and departmental locations. The new 12 Gb SAS enclosures—Large Form Factor (LFF) D3600 with 12 drive bays and Small Form Factor (SFF) D3700 with 25 drive bays—offer flexible, modular solutions to simplify capacity expansion of HP ProLiant and Integrity server environments and MSA Arrays (SFF only) to external storage without having to make the full move to SAN or NAS. This allows you to buy what is needed today and purchase additional capacity as data storage needs grow.

D3000 supports HP SmartDrive Carrier. Buy and maintain common set of HP ProLiant drives for Gen8 ProLiant servers. Total support can grow up to 96 LFF or 200 SFF drives.
