Product name : GoFlex Slim for Mac 500GB

GoFlex Slim for Mac 500GB USB 2.0 external hard drive

[Seagate GoFlex Slim for Mac 500GB external hard drive Black:](#)

Made for Macs. Plays perfectly with PCs.

The GoFlex Slim for Mac performance drive helps you take full advantage of your Mac computer's Time Machine backup application—and it works interchangeably with PCs.

Slim is in.

Netbooks, notebooks and other portable devices keep shrinking, which can be fantastic for your mobile lifestyle. Unfortunately, the easy portability often means reduced storage capacity.

The GoFlex Slim for Mac performance drive is so small—about as thin as a pencil—that it's the perfect capacity addition for mobile devices with limited storage.

Powerfully flexible.

Like every GoFlex external hard drive, the GoFlex Slim for Mac performance drive integrates easily with other GoFlex devices to form a system that delivers flexible access to your content anywhere you go. Seagate GoFlex Slim for Mac 500GB. HDD capacity: 500 GB. USB version: 2.0. HDD speed: 7200 RPM. Product colour: Black
