

HP USB Travel Dock

Affordable pocket-sized port replication

Connect to your devices and network in a dongle-free environment with the sleek HP USB Travel Dock, which delivers a range of ports in a highly-portable size that goes where you go.

Just one cable

Connect the attached USB cable to your notebook's powered USB port¹ and get monitor² and device connectivity from VGA or HDMI and two USB ports, and network connectivity from RJ-45.

Take it with you

Pack the compact dock in your bag alongside your notebook. The attached USB cable wraps around for neat, easy storage.

Rest easy

Get the reassurance of a one-year limited warranty.

¹ USB port needs to provide 3 amps output for optimum dock performance.

² Only one monitor is supported at a time.
